## Metu (Ethiopia) November 2013

Dear Friends,

from **October 27 – November 3** we went to **Metu**, which is 640 km from Addis Abeba. After a 15-hour bus drive we arrived. Metu is 90% muslim population. The local authorities granted us a public field but one week before the meeting the permit was revoked. We had to go to a church compound which was too small.

However we had very good meetings and the response was amazing. On Saturday night we had a breakthrough. I preached about the prison of sin and that Jesus came to set the captives free. Many responded and came forward to give their lives to Jesus, some with tears.

A young man told us that he was delivered while listening to the preaching of the word of God. Something left him and he felt like chains were broken. He was set free from evil spirits and addictions. **Right picture.**

Most of the time we see more people come forward for healing than for salvation but in Metu it was the other way round.

We witnessed again some amazing healing testimonies:

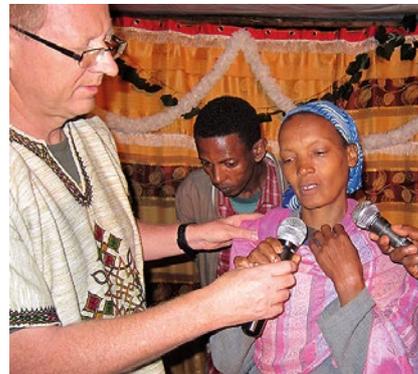

A blind man after putting his hand on his eyes during prayer was healed and came on stage to testify. **Left and right picture.**

I always tell the people to put their hands on the part of the body where they need healing and that God's hand will touch them now.

A former soldier testified that during the war in 1990 he lost his hearing in both ears, due to an explosion. After prayer he could hear again and gave his testimony. **Picture left.**

This woman testified that her goiter disappeared. She was supposed to go to the hospital in Jimma the next day for check-up. The hospital is 7 hours away by bus. **Picture right.**

Another woman told us that her tumor is gone. She had two tumors and one was removed by an operation. She was scheduled to have another operation to remove the second tumor. But now it is gone. **Picture left.**

This woman suffered from pain in her kidneys for the last 12 years. During prayer for the sick she came for healing but nothing happened to her, she thought. When she heard others testify about their healing she said: "Lord, what about me? Did you forget me?" On her way home she suddenly felt how all her pains and problems suddenly left her. The next evening she testified that Jesus healed her. **Picture right.**

An old man came on stage and told us that during prayer he felt great peace and great joy come over him.

Two woman said that they felt a hand touching them during prayer and every sickness and pain is gone. These are only a few testimonies.

*"I appoint you as a light to the nations, to open blind eyes, to bring out prisoners from the dungeon, and those who dwell in darkness from the prison",* Jesaja 42:7.

This happened in Metu. God opened blind eyes, both spiritual and physical blind eyes. Faith lets you see the spiritual and physical world. Jesus told Mary: "If you believe you shall see the glory of God."

From **November 27 – December 8** we are having our last two crusades this year. All together we had 11 gospel campaigns in 2013. We are planning again 13 meetings for 2014. We finally got some equipment which we were believing for. We bought a bigger generator and are also looking to buy a van.

Thank you for all your love, support and prayers.

*"He who is gracious to the poor lends to the Lord, and he will repay him for his good deed",* Proverbs 19:17.
