Dilla and Yirgalam (Ethiopia) December 2013

Dear Friends,

from **November 28 – December 8** we had our last two crusades this year. We went to the towns of **Dilla** and **Yirgalam**, Ethiopia.

We had two fantastic gospel events and many people made a decision for Jesus. In Dilla 720 people responded to the altar call and 400 of them were first-time decisions. The pastors told us that this was their best outreach so far with the best results.

For the first time we were able to use our whole equipment. Last month we were able to purchase a big generator (700 kg). In the spring we bought two more loudspeakers but couldn't use them because our generator was too small. With this new generator we have good sound and can also go to larger towns and places.

We still need to build our own platform, which we will do as soon as we have the means. It will cost us around 10,000 Euro. At the moment, everywhere we go a wooden platform is constructed.

People in **Dilla** received the word with great hunger and excitement. Sometimes the word is like a hammer or lightening. On Saturday night the people suddenly exploded with excitement and praise and several thousand stood up during the preaching and shouted and praised the Lord. I couldn't hear my own voice over the loudspeakers. It was difficult to continue preaching because after one or two sentences they broke out shouting and praising the Lord again. This kind of excitement is only seen at soccer matches here in Germany, if your team scores or wins, but hardly in church. But in heaven there is joy over every sinner who repents and the angels get very excited.

In Dilla Jesus won a big victory and the devil had big losses. Many received the baptism with the Holy Spirit and began speaking in other tongues. There are three baptisms in the New Testament: baptism into the body of Christ, which is new birth, baptism into water and baptism into the Holy Spirit.

It is always amazing to witness how the Holy Spirit comes upon young and old and how a miracle happens in their mouths and they begin to speak in other tongues. The outpouring of the Holy Spirit is a sign of the last days and of the church age. Since the day of Pentecost Jesus has been the baptizer with the Holy Spirit.

The kingdom of God is righteousness, peace and joy in the Holy Spirit. Wherever the kingdom of God arrives, sinners become righteous, men experience the peace of God and the new wine, the Holy Spirit, is poured out. "Be not drunk with wine but be filled with the Spirit", Paul said. It's better to go to church and get drunk on the Holy Spirit than to go to a bar and get drunk on alcohol.

Every bit of shade was used: Under the stage, under the speakers and at the Bajaj.

This woman was set free from demons.

His arm was stiff – he couldn't lift it. Now he is healed.

For one year she had had a goiter – it vanished.

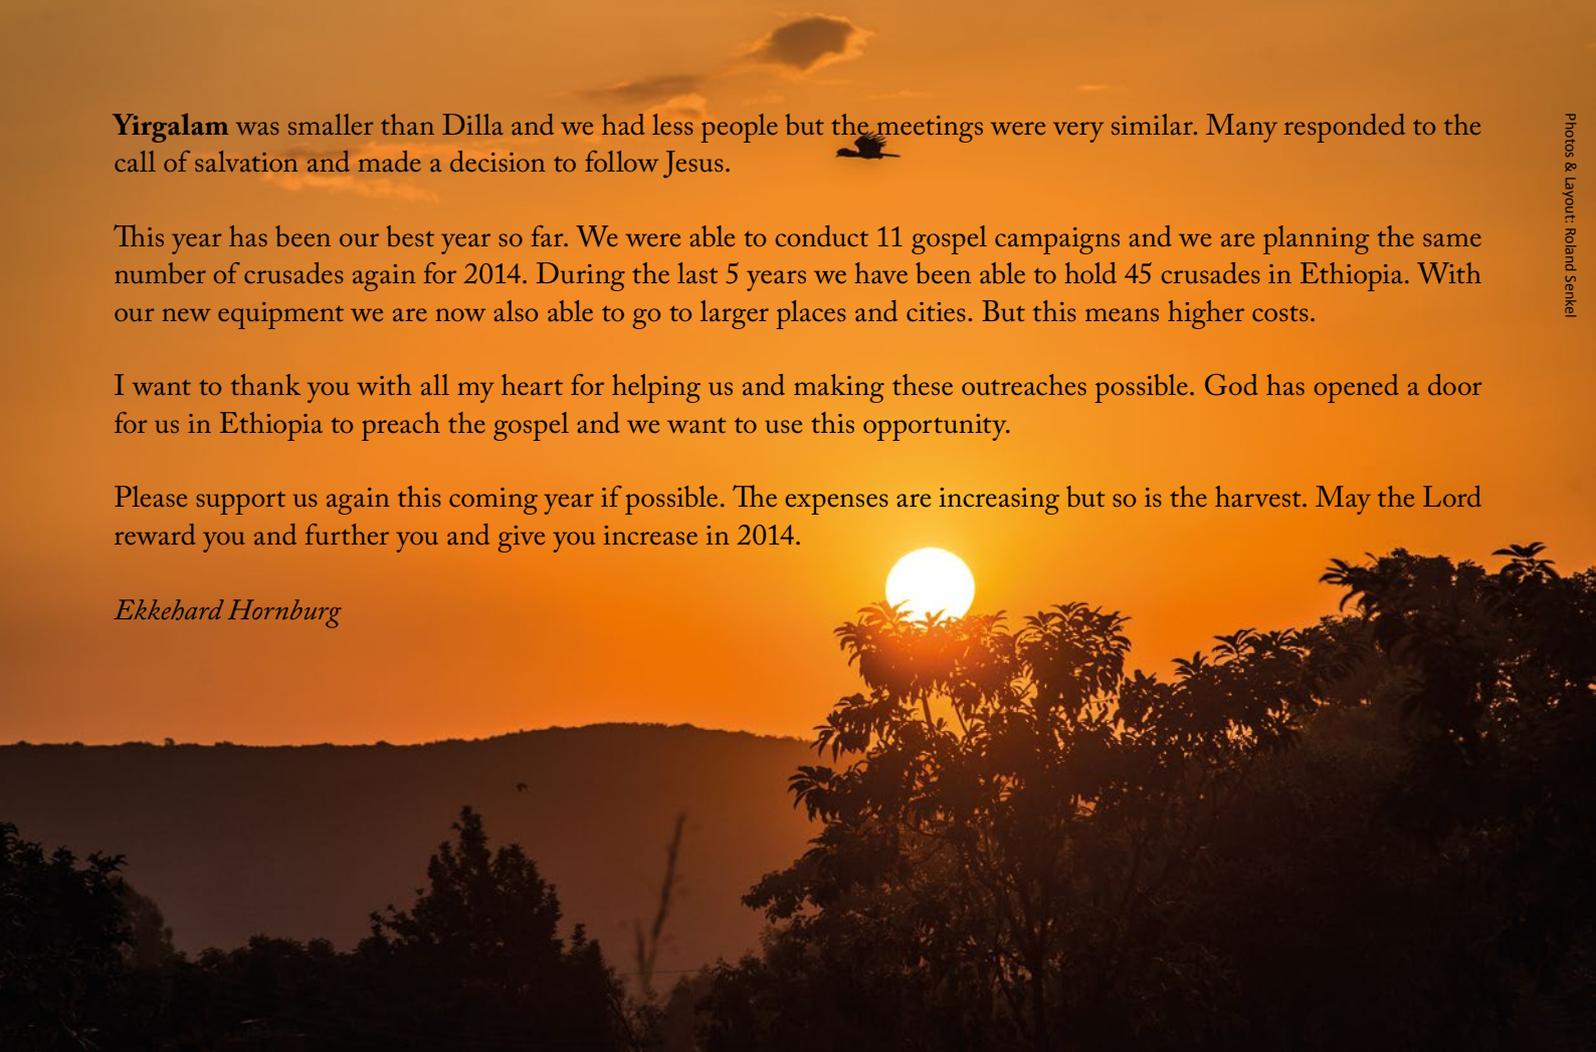

Yirgalam was smaller than Dilla and we had less people but the meetings were very similar. Many responded to the call of salvation and made a decision to follow Jesus.

This year has been our best year so far. We were able to conduct 11 gospel campaigns and we are planning the same number of crusades again for 2014. During the last 5 years we have been able to hold 45 crusades in Ethiopia. With our new equipment we are now also able to go to larger places and cities. But this means higher costs.

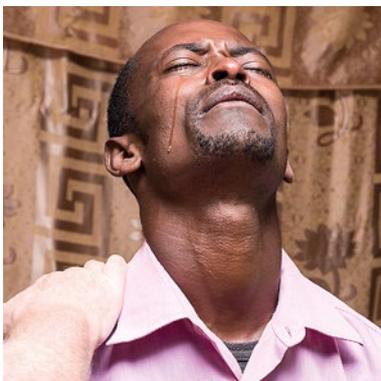

I want to thank you with all my heart for helping us and making these outreaches possible. God has opened a door for us in Ethiopia to preach the gospel and we want to use this opportunity.

Please support us again this coming year if possible. The expenses are increasing but so is the harvest. May the Lord reward you and further you and give you increase in 2014.
