

**WWE**  
WORLD-WIDE  
EVANGELISM

Finchiweha (Ethiopia)  
October 2015

Dear friends,

From **16 to 20 September** we were in **Finchiweha**, a village of semi-nomads in the far south of Ethiopia. Four churches had invited us. The last 200 km took us more than six hours by car.

What we experienced there was the glory of God. It seems that in the remotest places that nobody goes to God's power and glory are manifested the most strongly. We saw the blind see, the deaf hear and many other miracles. People came with great anticipation and hunger. Many gave their lives to Jesus. We ourselves were amazed at everything that happened. On the last day, many received the baptism in the Holy Spirit.

Three years before, we had been in the same area, 30 km away, and the pastor from there visited us now and reported on the impact that our evangelistic outreach had had back then. New churches had started, he said, and all the churches had grown. There, too, we had experienced many amazing miracles. The word of God is the power of God and when it is preached, it starts to work. It is as if you turn on the mains switch and the electricity can flow.

From **21 to 25 October** we have our next evangelistic outreach in the stadium of **Nekemte**, where we went once before five years ago. Please pray for us and help us with your finances. We have a total of 12 evangelistic outreaches this year, more than ever before, and so we also have higher costs. Every outreach is worthwhile and we see how God reaches out his hand to save and to heal.

On **12 December** we are planning a **prayer breakfast in Frankfurt am Main** with Suzette Hattingh and the evangelist Jens Garnfeldt from Copenhagen. Everyone is warmly welcome to come. We will be hearing from God and everyone who comes will receive prayer and be blessed. Please come and invite anyone who is interested.

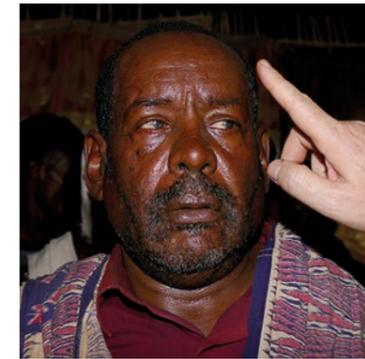

Best wishes and God's rich blessing!
