WORLD-WIDE
EVANGELISM

Irbamuda (Ethiopia)
February 2017

Dear friends,

from **11 to 15 January** we had our first evangelistic outreach of the new year. The local Assembly of God church had organized the outreach and we were on their grounds.

“There is a lot of witchcraft in **Tadek-Kella**,” we were told and we saw more people set free from evil spirits than we saw healings. In the evenings it always got unusually cold and fewer visitors came than we are otherwise used to. It was one of our smallest outreaches in a long time.

From **1 to 5 February** we were in **Irbamuda**, a village in the far south of Ethiopia that even many Ethiopians have never heard of. There had never been a public evangelistic outreach there and we were the first to go there. Six churches from the region had got together and invited us. Things got off to a rather slow start but at the weekend we had several thousand people in the service.

The people were very hungry for the word of God and received it like children. Jesus said that we should come to God as humbly as children. Children are completely dependent on their parents and God wants us to have that same awareness of how dependent we are on him and how much we need him. People who are rich and have everything often seem not to have this awareness.

The people in Irbamuda received the word with humble hearts and many experienced salvation, healing and the baptism in the Holy Spirit. There was great joy on the last day about what God had done.

Our next outreach is taking place from **6 to 13 March**. We are also completely dependent on God to give us the necessary funds.

“Whoever is generous to the poor lends to the LORD, and he will repay him for his deed.” Proverbs 19:17

We are going to the poorest of the poor to proclaim the gospel to them, and every donation serves this purpose. Believe that God will repay you for it if you give to this work. He rewards obedience and faith!

Best wishes and God bless you!

For six years her left eye had been blind and her left ear deaf. Healed!

He had had a squint for 10 years. “When one person is standing in front of me, I see 10 people,” he said. Now he can see perfectly again.

For three years she had been unable to lift her left arm because of a growth; the growth has disappeared and she can use her arm again.

She had been suffering from tuberculosis for seven years – all the symptoms of the disease have gone.

For one week he had been deaf in both ears; he said it went “boom” in his ears and he could hear again.

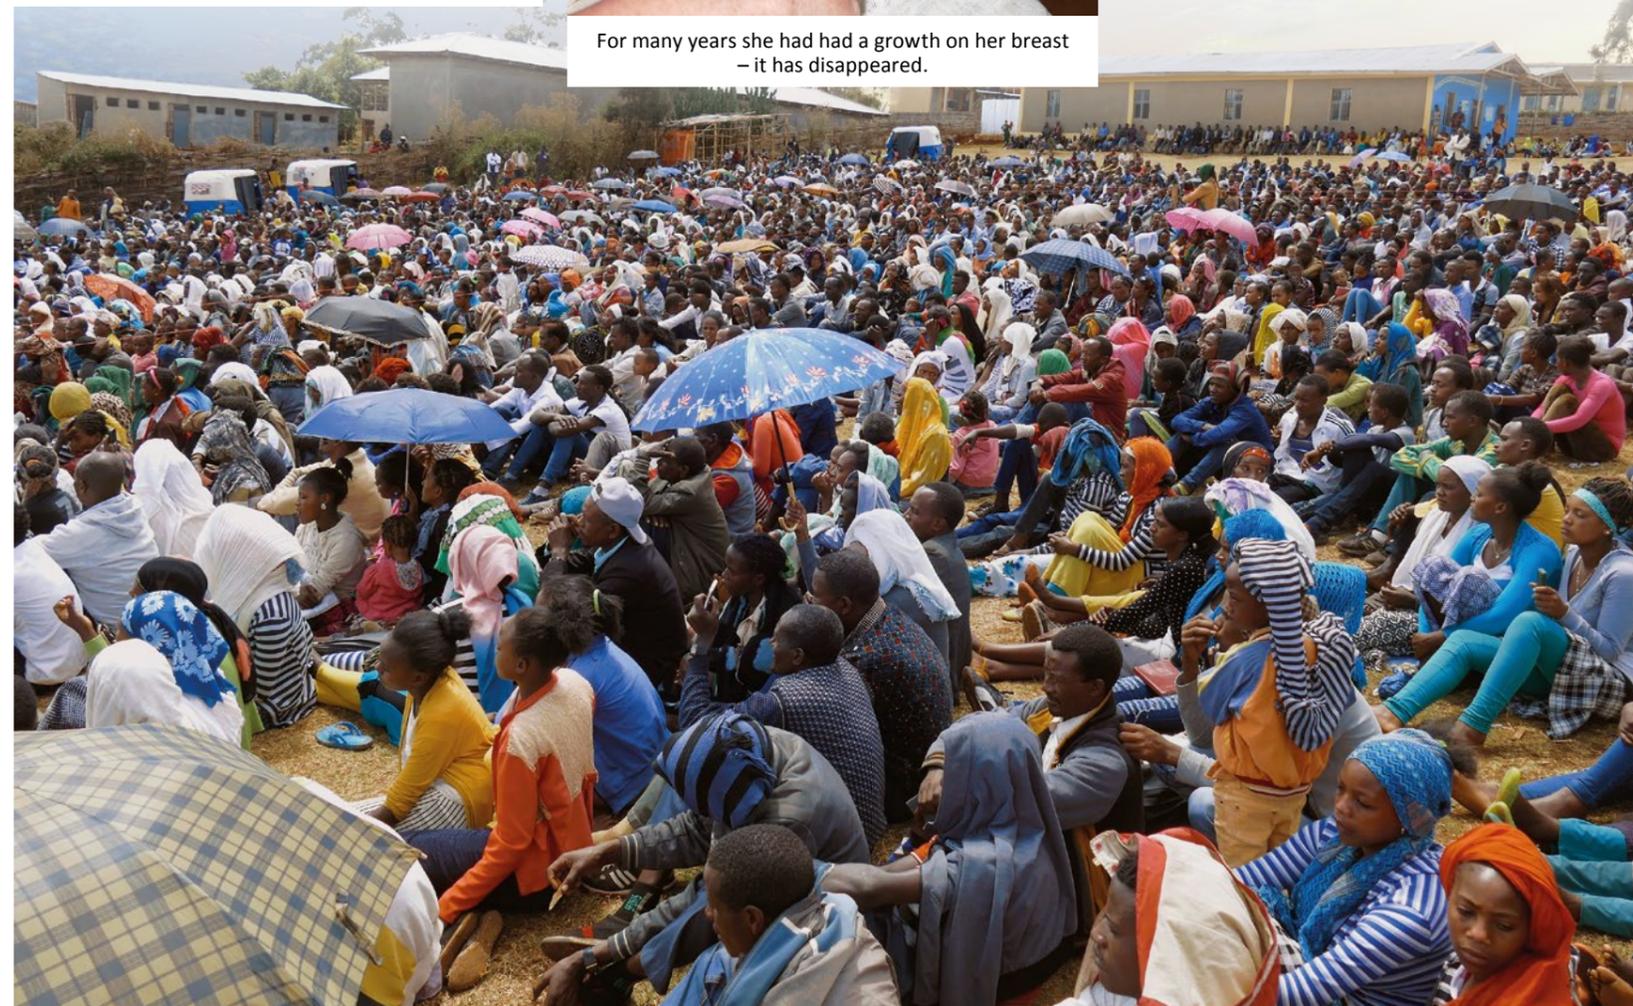

For seven years she had been paralyzed on one side and here she is testifying to her healing with tears.

For seven years she had suffered from bleeding and pain; her suffering is over.

For four years her right ear had been deaf and caused severe pain. Both healed!

For many years she had had a growth on her breast – it has disappeared.

She could not hear or see well and she suffered pain; it has all gone.

Your wealth transfer (Part 2)

Wealth Transfer #5: Israel

Years later, when the time came for the people of Israel to be released from Egypt, God blessed them, too. The plagues had left Egypt in ruins. When the Israelites asked one final time to leave Egypt, they didn't go empty-handed. Just look at what the Lord did for them:

"I will give this people favor in the sight of the Egyptians: and it shall come to pass, that, when you go, you shall not go empty. But every woman shall borrow of her neighbour, and of her that sojourneth in her house, jewels of silver, and jewels of gold, and raiment: and you shall put them upon your sons, and upon your daughters; and you shall spoil the Egyptians (Exodus 3:21-22). What once belonged to the enemy, now funded the work of God's people.

Wealth Transfer # 6: Solomon

The sixth wealth transfer occurred with Solomon. God raised him up and gave him vast wealth and wisdom. In fact, Solomon had more wealth than all the kings on earth. People traveled from all over the world to speak with him because his wisdom was so great (1.Kings 10:23-24). Like every other person described – Abraham, Isaac, Jacob, Joseph and Israel – God blessed his servant Solomon immensely.

What made these people so deserving of the blessings they received? What started the process of their wealth distribution? They were all givers, and they kept giving. They didn't even stop when they saw results.

- Abraham built many altars and continued making offerings to the Lord, (Genesis 12:5-8).
 - Isaac sowed in the land and continually gave to the Lord, (Genesis 26:12).
 - Jacob built altars and returned 10% of everything he received back to the Lord, (Genesis 28:22).
 - Joseph gave continually (Genesis 42:45; 47:11).
 - Israel gave a lamb from each house as a sacrifice to the Lord, (Exodus 12:21).
 - Solomon built the Lord's house as well as altars, and gave extravagantly to the Lord (1.Kings 8:13; 9:11).
- The principle is clear: Giving is an act of obedience and worship, and it triggers a harvest.

Wealth Transfer # 7: The Body of Christ

That's me and You! How about you? As part of the body of Christ, are you ready to receive your wealth transfer? If so, you must first be obedient to give. This act of worship acts upon your faith, proclaiming that you believe the Word of God. We are living in the last days, and now is the time for aggressive faith. It's time for us as believers of Jesus Christ to let our faith rise to a new level so that a wealth transfer can invade our lives. Why would we want that? So we can reach the world with this blessed message of salvation, hope, and healing.

When you are faithful to the Lord's leading and are obedient to His Word, God promises that you'll be blessed going in and going out (Deut. 28). So when you give, keep your expectations high. Believe that you will receive. And as you do, write down what you are believing God for. Whose lives do you want to see changed? What message do you want to see shared with the world? Who do you know who needs healing – spirit, soul, and body?

Now is the time to get them that word they need!

- Attach it to your refrigerator.
- Tape it to your bathroom mirror.
- Post it next to your computer.
- Set your eyes on it.
- And never doubt.

Right now, consider sowing an extravagant gift – one that requires a sacrifice on your part – into the work of His ministry to bring that message to the world. And as you do, believe that God will send you a harvest – a wealth transfer – like never before. Don't miss it. Don't limit God. Believe He will do what He has promised to do and what many are already experiencing.

- Sow a seed.
- Make a list of what you are believing God for.
- Water your gift with praise.
- And never doubt that your heavenly Father will keep His promise.

And then pray: Lord, I believe You and nobody else. I believe Your word and none other. This is the time, Lord. I'm going to sow a seed. This is the time I'm going to go beyond anything I've ever done before, and I thank You for all You are going to do in my life!
